

The Archery GB National Rankings

Introduction:

The National Rankings are open for all members of Archery GB to take part.

The National Rankings for each year are decided by the number of points an archer gains from up to five world record status events within the UK.

The standings will be published fortnightly from mid-april on the Archery GB website.

Only one result is required to qualify for the National Rankings.

If an archer shoots more than five events, only their highest sets of points will be used.

Ranking points expire 12 months after they were gained.

Qualifying events are to take place from the first outdoor event of the year and must be completed by the last full week in October of the same year.

The final rankings for any given year will determine the UK number 1 ranked archer. These will be published at the end of the first full week in November.

Certificate will be awarded to the top 30 ranked archers.

Tiers:

There are 4 Tiers of events, each providing opportunities for archers to score Ranking points.

Tier 1 Events:

The National Tour Stages

The UK Masters Head-to-Head

The British Target Championships Head-to-Head

The National Tour Finals

Tier 2+:

Either a WA 1440 or a Double 70m/50m, and take place the day before, or the day after, a Tier 1 event at the same venue (for example the 1440 at the British Target Championships)

Tier 2:

All World Record status head to heads in the UK which are not closed events.

Tier 3:

All World Record Status Single/Double 70m/50m Rounds and WA1440 Rounds.

The Definition of a closed event is competition which restricts an archer from being able to enter for any reason other than level of performance. Archers attending closed events will not be allocated Ranking Points.

Please see Appendix 2 for special events.

Ranking Points:

The number of points awarded will depend on the tier and position of the archer at the end of each competition. Points are awarded for places from 1st to 64th. These are shown in Appendix 1.

The following sections outline how points will be awarded for various events.

Head-to-Head rounds:

Points will be awarded for both the WA70/50 and the final Head-to-Head position.

If an archer does not compete in the Head-to-Head, they will only receive points for their qualification round position.

If an archer only shoots a single WA70/50 round in a double round they will be awarded points based on the position their final score gives them against all the archers who complete the double round.

Multiple Days and / or rounds:

For events held over multiple days (e.g. A WA70 and Head-to-Head, and a WA 1440) each day will be classed as a separate event and points awarded will be based on the applicable tier for each round and position.

For events that have multiple rounds on the same day (WA70/50) point swill be awarded based on the result of the double round.

For events where a qualifying round is shot and followed by a team event, only points for the qualifying event will be awarded at Tier 3 level.

Providing Results:

It is the responsibility of the tournament organiser to send an electronic copy of the results to results@archerygb.org within 72 hours of the end of the competition.

Archery GB will provide a template for scores to be submitted on but will not be responsible for collecting, seeking out nor verifying this information.

If the 72-hour limit cannot be achieved, then a notification must be sent to results@archerygb.org as soon as possible.

If results are submitted or received late from any event, Archery GB's events manager has complete discretion as to whether they will be accepted.

Disputes and Questions:

Any dispute or question about a ranking or points total must be direct to rankings@archerygb.org no later than 72 hours after release of the most recent ranking list and have supporting evidence accompanying it.

Archery GB will respond within 72 working hours of the appeal and publish the outcome.

Appeals will be considered by a panel led by the Events Manager.
