

Support the Olympics and Paralympics this Summer by taking part in our **Aim for Paris Virtual Challenge**. We want this virtual competition to unite all our different archery communities – archery clubs, Archery Activity Partners, outdoor centres, uniform groups, schools, and more.

This could be an ideal low-pressure first experience of competition at a community level, shooting a distance of 10 and 20 metres, and for more experienced archers, shooting up to 70 metres.

Rules

- 10m and 20m can only be shot by those within a community archery environment such as a school, uniform group, outdoor centre, Archery Activity Centre or community group.
- Distances over 30m can only be shot by Archery GB members.
- All archers must count their number of Xs and number of 10s.
- The event opens on 26 July and closes 8 September 2024. No entries will be accepted before or after these dates.
- You may enter as many times as you like, but each entry requires its own scorecard and form.

Number of arrows

- 10m and 20m – 15 arrows
- 30m and above – 36 arrows

Categories

- Under 12
- Under 14
- Under 16
- Under 18
- Senior

Winners

You can enter multiple scores for each distance and bowstyle, but you can't be the winner for more than one distance per bowstyle.

If a category has two archers with the same score, same number of Xs and same number of 10s, the winner will be decided through a coin toss.

How to enter

- You don't have to sign up to take part, all you have to do is shoot your chosen round and then submit a score.
- Download your scorecard from the [Resources section](#). Please make sure you have someone else witness your score, and remember to keep your scorecard safe in case your score is questioned.
- Please use [this spreadsheet](#) for bulk entries of 6 or more archers.
- Scan the QR code below to head over to the form to submit your scores (or [click here](#)).
