## Field Classifications - Quick Reference

For full details see the Archery GB Shooting Administrative Procedures (SAP 7).

### Overview

The ArcheryGB field classification system consists of 9 different awards that recognise progression through various milestones. The 9 awards are split into three tiers -

- The **Archer Tier** is aimed at a wide range of club-level archers
- The **Bowman Tier** is aimed at archers who are at the level where they might choose to enter competitions, right the way from club-level events to national level events.
- The **Master Bowman Tier** is aimed archers competing at the highest levels of the sport.

### Claiming a Classification

To claim a classification, you need to shoot a total of 3 rounds above a certain threshold score. The eligible rounds changes as you move up the tiers.

For Archer and Bowman classifications, your club records officer can confirm you've met the requirements. Badges are available from retail suppliers for these tiers.

Master Bowman tier classifications need to be claimed from ArcheryGB. A claim form is available on the website where you can submit your qualifying scores.

### Classification Tables

The following pages of this document contain the complete classification tables for all combinations of bowstyle, gender and age-group, and also include descriptions of each round. Print out the page that's relevant to you and keep it with your archery kit as a quick reference.

The 12-target unit consists of 3 targets of each face size (20cm, 40cm, 60cm, and 80cm) at differing distances. For a marked course the targets will be at set distances, whilst for an unmarked course they will be within a set range. This is summarised below.

The 24-target round consists of two 12-target units either both marked or unmarked, or one of each for the Mixed round. The scores required for each classification are the same for each colour, regardless of course/round type.
